### 2013 Knaus Sun Ti 650 MF- £46,500.00 Full History, 14,000 Miles *(In stock)*

2013 Knaus Sun Ti 650 MF, Fiat Ducato 2.3 150hp, Only 1 owners and 14,000 Miles from new. This very high specification model offers 4 Belted traveling seats, 4 Berth with double rear fixed corner bed & center lounge which converts into a second double Bed.

The 2013 Sun Ti range was the highest specification model available from Knaus at the time, and since 2014 the later current models are now produced to a lesser specification. The layout of the interior is divided into three areas, with a front lounge diner incorporating the comfy settee style seating, center kitchen on both sides of the vehicle and all-important end bedroom with fixed corner bed and generous shower/toilet room.

This is probably the highest specification Knaus 650 Sun Ti ever supplied in the UK, has only covered just 14,000 Miles from new. Owned by our company Director from new no expense has been spared on equipment or maintenance. Excellent condition throughout, with full service history.
